

<i>Individual information (CV) / July 2021</i>	
Name and academic title	Dr. Yves Barlette
Professor of	Information Systems – Cybersecurity
Grade held in the institution	Full Professor
Fields of expertise	Information Systems, Information Security - Cybersecurity, Strategic Information Management
Teaching department	Information Systems & Operations Management
Function/mission institution	
Email & phone	Email: y.barlette@montpellier-bs.com Phone: +33 (0)467102526
<i>1. Education & Diploma</i>	
Year & Diploma	2020: HDR / Habilitation to supervise research (University of Montpellier). 2006: PhD / Doctorate (University of Montpellier). 1989: Master ‘Sales in IT’ (IAE-University of Montpellier / Montpellier Business School).
Bio	Dr Yves Barlette , Full Professor of Information Systems, joined Montpellier Business School in 1989. In 2020, he completed his HDR, after a PhD (2006) in Management Information Systems at the University of Montpellier. He is member of the MRM research centre; his research interests focus on actors’ behaviour related to information security. He published nineteen articles in peer-reviewed journals such as <i>Systèmes d'Information et Management (SIM)</i> , <i>Production Planning and Control (PPC)</i> , <i>International Journal of Information Management (IJIM)</i> , <i>Journal of Global Information Management (JGIM)</i> and several books and book chapters. He is member of the International Editorial Review Board (IERB) of IJIM since October 2019 and regularly serves as a reviewer for the French SIM journal and AIM conference. Main courses taught in the past five years are Information Systems, Strategic Information Management and Cyber Security.
<i>2. Professional experience</i>	
Date & position held	2019- Today: Full Professor, Montpellier Business School, France. 1996 to 2019: Associate Professor, Montpellier Business School, France. 1989 to 1995: Assistant Professor, Groupe Sup de Co Montpellier. 1992 to 1996: Consulting in IT on a one-day per week basis. 1988 to 1996: IT analyst and software developer on a one-day per week basis.
<i>3. IC: discipline-based scholarship</i>
